**Please check all that apply:**

**Budget Committee**  
Composed of seven non-Student Council members. Responsibilities include accepting requests from student organizations, college boards and senates, deliberating, and then making recommendations to the SC regarding allocations of funds to these student organizations.

**Community Affairs**  
Provides the student body with opportunities to be involved with community service, by implementing service projects and assisting such organizations as Project Volunteer.

**Governmental Affairs**  
Concerns itself with issues at the local, state and federal levels of government which affect students and their interests. Includes knowledge of our state and federal representatives as well as the University officials who affect these issues.

**Minority and Women’s Affairs Advisory**  
Responsible for studying and making recommendations in matters concerning minorities and women within the University. Such concerns include recruitment, support services, and non-discrimination and Affirmative Action policies

**Program Board**  
Designated branch of the SC that plans activities and events, such as comedy shows, concerts and novelty acts for the students at the University. Events include Welcome Back Week, Homecoming Week, and Mad Anthony.

**Student Services**  
Studies and reviews recommendations concerning matters in the areas of supportive services within the University (Food services, Health Services, Bookstore, Public Safety, etc.). Their duties also include coordinating efforts with related University Committees, making recommendations on office space allocations for student organizations and making considerations and recommendations on any and all matters referred by the president.
